

Creekwood Athletic Booster Club Board Meeting

January 18, 2022

7:30-8:30pm

Attendance: Kim Sommers, Kelly Abdmoulaie, Robyn Brown, Meredith Cors, Brittani Toppass, Jennifer Coulter

President Report: Kim Sommers

- Kim to draft email for Mr. Winicki to send to all parents encouraging participation in CABC next year. Email to summarize open positions and invite parents to first 30 minutes of next CABC meeting on Feb 15.
- Coaches gifts – working on donation amount other than \$25.00. May just collect for 1 distribution at the end of the year.
- High schools charge an athletic fee by sport which covers banquet, pink out, etc. Do we want to consider doing this in the future?
- Still need track schedule. Once we have schedule we will know when to open the store for game day shirts. There are no game day meals for track
- Donuts for dollars on Friday to raise money for coach/staff impacted by tornado.
- Open positions next year (unless current members switch): President, VP, Concessions, Merchandise, Treasurer, Sponsorships. Would really like to hand president over to someone already on board.

Vice President: Kelly Abdmoulaie

- Spirit Night – Thursday at Chik Fil A from 6am-10pm.
- Requested events be listed in order on the back of the track game day shirt. Much easier than trying to look up next event on phone.

Treasurer Report: Meredith Cors

- \$21,000+ in the black for the year
- Concessions better than budget by \$4000
- \$56,000 in the bank right now (last year + this year combined). Started 2020 with \$19,000.

Merchandise: Shannon Bernard

- Will add beanies and trucker hats to the inventory for track season.

- Start asking for renewals. Some schools already doing this.
